PASTORAL LEADER'S NOTES

Dear Parishioners,

Lent has begun. Have you taken time to write down your Lenten plans? Did you ask God what would be good for you to do this Lent? There are many things at church to help you make these 40 days a real time of transformation and change.

Here's a list of them for you to choose from:

Stations of the Cross on Mondays at 6:00pm in Omro and 2:00pm on Thursdays in Winneconne.

Soup & Sermon on Tuesdays at noon in Omro. We are using the program called, *"The Blessings of Aging"* by Joan Chittister, OSB.

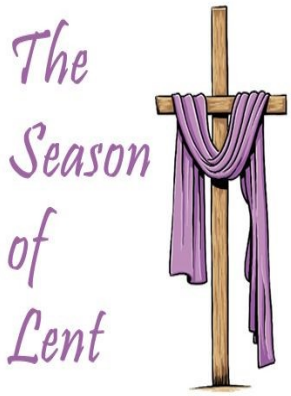
Attend one of the **weekly Bible Studies** that are listed on the front of the bulletin. Come to watch a video followed by a discussion on Monday evenings or Thursday afternoons in Winneconne.

Read one of the books or listen to one of the CD's you'll find at the church entrances. There are also Lenten pamphlets and booklets available for you to use for your reflection.

Black Books are at the church entrances. The goal of these books is to find 6 minutes of quiet time every day during Lent to walk through this book a page at a time. **Purple Books** are also available for children.

Rice Bowls are at the church entrances for you to use with your family. This is a great way for you and your family to do almsgiving during these 40 days of Lent.

Go to **Formed.org** and sign up to watch one of the videos, listen to one of the podcasts or read one of the books that are online.



Let's use our Lenten practices to dig deep into our spiritual center and carve out a space for God alone. If we have the courage to let GOD guide us during these next 40 days He WILL transform us and we will be changed into the person **God** wants us to be.

SOUP & SERMON

This past week 40 people gathered for our annual Soup & Sermon to learn about "*The Blessings of Aging*." There was plenty of lively discussion after we listened to Sr. Joan Chittister and her wisdom and insights on the topic.

> **You can't help getting older. But you don't have to get old.**
>
> GEORGE BURNS

Here's some thoughts I shared from the book, *Ageless Soul,* by Thomas Moore:

What does it mean to age? It is an activity. It is something you DO, not something that happens. When you age (active verb) you are proactive...
If you really age, you become a better person. If you simply grow old, passively, you get worse. Chance are, you will be unhappy as you continue the fruitless fight against time.

Aging is about becoming more of a person and more you over time. Kind of like wine and cheese. Some get better with the simple passage of time.
If you let life shape you, then as time goes by, you will become a richer, more interesting person.
In that sense, your very purpose in life is to age, to become what you are; essentially to unfold and let your inborn nature be revealed.

++++++++

If you weren't able to help at last week's fish fry, be sure to sign up for the next one that will be this coming **Friday, March 13.** We always need help setting up on Friday mornings beginning at 9:00am if you can't join us Friday evening.

And if you are unable to volunteer, I hope you will come and enjoy a delicious fish dinner that we will be serving from 4:00—7:00pm on Friday.

Be sure to bring a few friends with you too!

(W*e served 303 meals at our first fish fry!)*
