PASTORAL PONDERINGS

If we think of the liturgical calendar as the “circle of life,” the mystery of Christ unfolds. The significance and beauty of how Christ calls us to live our lives through Him comes to light. In the liturgical calendar we are currently in Ordinary Time as we celebrate a very specific time in the life of our Lord Jesus Christ.

When we think of liturgical seasons we typically think of the major seasons of Advent, Christmas, Lent, and Easter. These seasons celebrate what could be thought of as the “main event.” Namely, the incarnation, birth, passion, death, and resurrection of Jesus. This may seem like there's not much to celebrate after that.

Wrong!

The 33 weeks of Ordinary Time contain the rest of Jesus' earthly ministry and some of the major events of the Gospels we have come to know and love. For example, all of the miracles, the parables, the calling of the twelve, the sermon on the mount, the bread of life discourse just to name a few. We get all that and more during this season. Truly, there is much to celebrate.

The term ordinary in our common use typically refers to something being plain, unimpressive, or unexciting. A kind of “it is what it is” mentality. For that reason, many people hear Ordinary Time, and they immediately think of the season as such. But that understanding doesn't reflect the true meaning of the season. Ordinary, in this context, comes from the word the Latin term “ordinalis,” meaning numbered or ruled. This title simply refers to the ongoing and flowing nature of the season. Just like everyday life there is a rhythm to the days and weeks. We have holidays and special occasions that we look forward to that change the pace, just like we have holy days and feasts in the Church year. But those special occasions aren't the whole picture. There is more to the life of Christ than what we celebrate in other liturgical seasons.

Like all liturgical seasons, Ordinary Time is meant to be lived! We are called to be active participants! Participating in Ordinary Time means participating in the everyday life of Jesus. It is a time of conversion, development, and quiet growth. One of the realities of everyday life is that it's easy to get caught up in things. Things like politics, social media, schedules, work, money, worry, and the list goes on and on. But what would life look like if we were caught up in Christ?

I invite you to consider this short list of ways we can fully embrace this liturgical season and get caught up in Christ:

1. Examine your habits. Your day-to-day life is typically just a series of habits played out one after the other. If you want your life to change, the first place to look is your habits. A great new habit to start would be reading the daily Gospel.
2. Gratitude. Joy always finds its root in gratitude. Try starting each day by thanking God for five ordinary, everyday things. If you have a family, have them list off things together.
3. Use your imagination to reflect on the daily life of Jesus. Imagine Jesus doing simple things; eating, walking, joking with his friends, praying. Make yourself a bystander to the Gospel stories in your imagination.

Ordinary Time is a great time to deepen our relationship with Jesus!

God bless you and your family.
