## Pandemic Beatitudes by Mark Davies

Blessed are the mask wearers, for they help keep persons of sacred worth from dying alone and scared, separated from family and friends.

Blessed are those who care for the sick and comfort the dying, for they are the presence of Beloved Community.

Blessed are those who mourn the dead rather than minimize their death, for they will retain their humanity.

Blessed are the scientists searching for treatments and vaccines, for they are bearers of hope.

Blessed are the food providers for those who can and cannot pay, for they are sustainers of life.

Blessed are the those who keep their distance, for they allow our beloved ones to remain close.

Blessed are those who refuse to profit unjustly from the pandemic, for they bear witness to justice and common decency.

Blessed are employers who keep workers safe, for they value life over profit.

Blessed are leaders who make compassionate decisions based upon knowledge and evidence, for they forge a wise path.

Blessed are the truth tellers, for they provide the best information possible to keep all of us safe.

Blessed are those who do not use the pandemic to divide us, for they work for the common good of all.

Dear Parishioners,

Trinity Sunday - June 7, 2020

This past weekend we began the "Distribution of Holy Communion outside of Mass." Over 140 people from our two parishes came to church to receive the Body of Christ during a short communion service. It was so good to SEE all of you and so many of you were wearing red too! What a great reminder that the Holy Spirit is dwelling within us and our faith community as we continue to bring comfort and compassion to those around us who are struggling during this difficult time in our world.

We will continue the distribution of Communion for this coming weekend following the same times and places as last week:

**ST. MARY, OMRO**

Saturday, June 6, from 4:00-5:00pm

Sunday, June 7, from Noon-1:00pm

**ST. MARY, WINNECONNE**

Saturday, June 6, from 5:30-6:30pm

Sunday, June 7, from 10:30-11:30am

I also want to say a special thanks to our staffs in Winneconne and Omro who made everyone feel welcome and comfortable in knowing what to do so everyone would be safe.

+++++

As many of you heard this weekend we will return to "Mass with moderate limits on public gatherings and social distancing" **beginning the weekend of June 13-14.** I will share the specific guidelines you need to know next week but as we look ahead remember that the dispensation from the Sunday Obligation of the Mass *will remain in effect* during this time of transition. Please use your best judgement as to whether or not you will attend Mass at St. Mary's. We want you to do what is best for yourself and your family as we return to Mass in this limited way.

+++++

Thank you so much for your financial help during these days of the pandemic. So many of you have gone out of your way to make sure we received your financial donations. You have mailed in your envelopes or stopped at the office to drop them off. Some of you have shared with us part of your stimulus check and some have increased your regular weekly donation. So many ways you have helped us get through these difficult days so that we can continue to provide the spiritual resources to help you grow in your faith and be a faith

community ready to serve those in need. Thank you again for your continued financial support and commitment to our parishes. It really means a lot.

Sr. Pam
